

OCB URINE TESTING NOTICE

You are receiving this notice because you provided a urine sample to the OCB for drug testing.

- Lab results may take up to 4 weeks.
- If you do not receive anything after 4 weeks (check your spam folder first), contact Chad@OCBonline.com

Random Tested Athlete: After your lab results are delivered to OCB, OCB's Drug Testing Coordinator will email you with the results. OCB amateur and pro athletes are subject to random drug testing at any time.

Newly Qualified OCB Pro: After your lab results are delivered to OCB, OCB's Drug Testing Coordinator will email you with the results.

1. After you receive notification from OCB, you have up to 30 days to upgrade to an OCB Pro membership on OCBonline.com. You may NOT purchase your pro card without having first received notice from OCB.
2. If you do not purchase or renew your OCB pro card within 30 days, or you allow it to lapse, your pro eligibility may be forfeited, and you may be required to compete as an amateur to re-earn your OCB pro status or pay a penalty.
3. Once you purchase your OCB pro membership, you are eligible to compete in OCB pro events. A physical card is not required to participate.
4. A physical OCB pro card will be mailed to you within 3-4 weeks of purchasing your pro card.
5. OCB pro membership must be kept current, even during the years you are not competing.
6. OCB amateur and pro athletes are subject to random drug testing at any time.

OCB Pro Athlete: After your lab results are delivered to OCB, OCB's Drug Testing Coordinator will email you with the results.

1. Only after all drug test results for a pro division have been received will the event promoter be authorized to release pro cash prizes.
2. OCB pro membership must be kept current, even during the years you are not competing.
3. OCB amateur and pro athletes are subject to random drug testing at any time.
