- Go over the food and beverage policy for the facility (ex. No food or drink in theatres)
- Competitors should not go outside the prep area unless watching the show, and if watching the show must be fully clothed when in the seating area to protect seats. Only be back stage if getting ready to go on stage to allow more space for those needing to prepare.

- Instruct competitors to get into poses as soon as they're called... no transitions into or delays in setting up
- Cover posing and stage walks (optional)
